**OUR CHOCOLATE SUPPORTS
COCOA FARMERS**

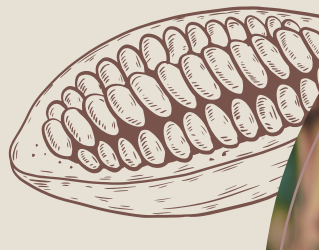

Chocolate from Callebaut “Cocoa Horizons”

In our in-house chocolate factory, we produce chocolate products with the best Belgian Callebaut chocolate. Callebaut has been producing chocolate of the highest quality in the heart of Belgium for more than 100 years. By choosing one of these chocolate products, you are also supporting the success of cocoa farmers in the producing countries. This is ensured by the “Cocoa Horizons” program, which was launched by Callebaut itself.

Cocoa Horizons

Support of farmers:

- ✓ Further development and promotion of agricultural skills through targeted coaching
- ✓ Ensuring a long-term increase in productivity, yield and income

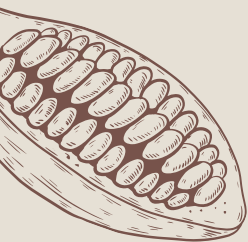

Respect for human rights and child protection:

- ✓ Abolition of child labour
- ✓ Provision of educational opportunities
- ✓ Strengthening financial independence, especially for women
- ✓ Promoting gender equality

Restoring ecosystems:

- ✓ Planting shade trees to protect the cocoa trees
- ✓ Improving soil fertility
- ✓ Integration of different tree species to promote soil health, create diversified sources of income and support a broad spectrum of flora and fauna
